

MAKE SURE THE NEXT THING SHE TAKES IS YOUR ADVICE

It could turn her life around. And that's when you know you've done a good job.

When you've raised a young person's self-esteem. Encouraged them to achieve their best. And changed their outlook on life.

AREA MANAGER M3

You will provide strategic direction for Hertfordshire Youth Service Provision working closely with District Councils, schools, the Careers Service and other external organisations. Taking a lead role in policy-making and project management you'll lead a team of youth workers to develop effective plans for your area, including preventative strategies such as drugs monitoring and reduction. You'll be an excellent organiser with 5 years' experience and a full-time qualification in youth work. As well as a background in managing people and resources you'll need a commitment to developing strong working partnerships to meet young people's needs.

PARTNERSHIP CO-ORDINATOR JNC4-6

Co-ordinating and managing Watford Area Youth Service, you'll deliver programmes that will widen the range of opportunities for young people, including the availability of education. Acting on young people's needs and opinions, you'll give them the support they need to make important personal decisions about their future. All the while you'll be collaborating with schools, the Careers Service and other external bodies to deliver the best possible service. You'll be an excellent communicator with experience of youth work, including the delivery of curriculum based programmes for young people.

In return for your commitment we offer a competitive salary and benefits package, including a relocation scheme. Please call Chris Garcia on 0000 000000 for more information or email chris.garcia@hertsc.gov.uk
